Swimming Timing System Solution For OMEGA ARES21

Ultra Score program can be used together with OMEGA ARES21 system. To control the timing of the system, as well as display the fantastic scoreboard.

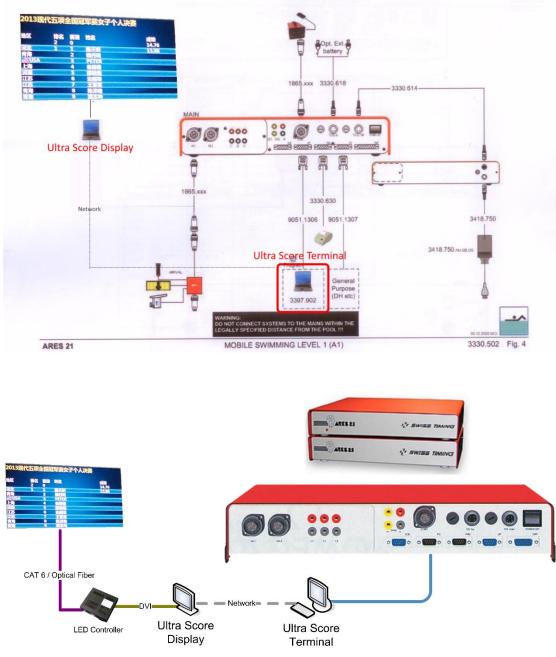

www.swisstiming.com

In the organic system, your system connection likes this:

When you use the Ultra Score program, the system connection will be like this:

Ultra Score can take full charge of the timing and recording function or OMEGA ARES21 system.

What you need to do is simply connect the PC (which running Ultra Score Terminal) onto the PC port of OMEGA ARES21 device.

The new features we bring to the system including:

1) Meet management, auto seed the athletes. Including the order form print.

nfo: lumber:	1	Group:	Men 50m Backs	stroke 🔻 Phase	e:	•		(Auto Arrange
leats:	Players:	Lane	Count: 8	Pool Length: 50)m 🔻		Available P	layer:	
▶ 1	Lane	Number	Name	Region	Seed Time		Number	Name	Regi
